

A photograph of a radio broadcast studio. In the foreground, a professional microphone with a red pop filter is mounted on a boom arm. Below it, a black keyboard sits on a desk. To the left, a computer monitor displays a blue screen with icons. In the background, another person is visible at a similar workstation. The overall scene is brightly lit, typical of a broadcast environment.

La radio de la Casa de la Juventud es tu radio

Haz que se escuche

**TU VOZ
TU MUSICA
TU OPINION**

Una vez al mes en el PIJ

Para empezar

¿qué nombre le pondrías a la radio?
